## Owen School closed Wednesday for Enbridge gas pipeline testing

By Rosemary K. Oztman  
Independent Editor

Van Buren Public Schools Supt. Michael Van Tassel closed Owen Intermediate School for Wednesday, March 20, because a gas pipe line was scheduled to be tested near the school.

At Monday's city council meeting, Belleville City Manager Diana Kollmeyer said she asked Enbridge Energy Company about the test, since they offered to put nearby residents in a hotel for the day.

She said they told her that during the eight-hour test they would be blowing out the pipeline with water and there wouldn't be an explosion, but noise was an issue.

On Monday, Supt. Van Tassel sent out a letter to parents of Owen students to explain his decision to cancel school on Wednesday. Actually, the school was scheduled for half a day, with conferences in the afternoon.

He said the school district was informed that Enbridge Energy Company, out of Wisconsin, would be hydro testing a gas line near Owen school on March 20 from 8 a.m. to 4 p.m.

The gas line in question is in front of Owen and about 50 feet away from the bus pick-up and drop-off area. While Enbridge did not initially contact the district, residents in the area were notified and given the opportunity to spend the night in a local hotel, if they so desired, Van Tassel wrote.

"Enbridge has stated there is no immediate danger, yet they have offered residents near this line alternative housing during the testing.

"Given the company's offer to residents, I must question the ability for Enbridge to provide a safe environment for our students," Van Tassel wrote to parents.

"I hope you can appreciate the compromising situation the school district has been put in and that you are supportive of our attempts to put student safety first. Since the gas line testing will

The Easter Bunny will be on hand to greet children from 1 to 3 p.m. at Sunday's Hoppin' Hullabaloo at the Van Buren Township Hall Community Center. Here the Bunny is inspected by Ryann Zaenglein at last year's event (before her mother Jennifer was named Deputy Director of VBT Parks and Recreation. This year there will be games, inflatables, face painting, crafts, and visiting with the Bunny. Hot dogs for sale. Walgreens will be on hand to take free photos of the children with the Bunny. The event is for toddlers to 10 years of age. Cost is \$5 per child; preregister at 699-8921. Sumpter Township's free Easter Egg Hunt for children is at noon on Saturday, March 23, at Graham Park. The Easter Bunny will be there, too, and children will enjoy games, prizes, and candy. The City of Belleville's Easter event for children is set for Saturday, March 30, at Victory Park.

not be completed until 4 p.m., afternoon conferences will also have to be cancelled.

"Thursday afternoon and evening conferences will still be held as planned," he told the parents.

"On behalf of Van Buren Public Schools, I apologize for the inconvenience cancelling school Wednesday will cause, but I believe that given the circumstances, it is the best decision for the students and staff at Owen Intermediate School," he concluded, thanking parents for their continued support.

## Driver in Sumpter Twp. trades misdemeanor for felony after speeding off

By Rosemary K. Oztman  
Independent Editor

Sumpter Police Sgt. John Ashby made a traffic stop of a speeding vehicle at about 4:49 p.m. on March 1 and before it was over the driver had sped off and is facing felony charges.

Sgt. Ashby retrieved a driver's license and work ID card from the driver, Karl A. Johnson, 46, of Milan, and the driver matched the pictures on the IDs.

What happened next had Sumpter Detective John Toth shaking his head later as he watched the patrol car video that

(continued on page 12)

## Belleville approves credit/debit card payments – at last

By Rosemary K. Oztman  
Independent Editor

Belleville City Clerk/Treasurer Lisa Long has been working for months on getting a company to provide online and in person credit/debit card payments for city taxes, water, dog tags, and other fees.

The most important part of the project was to make sure the city didn't have to pay anything for the service.

City residents and employees have been asking for such a service, especially now that the city water fees are billed monthly.

At last, on Monday, Clerk/Treasurer Long presented the Point and Pay E-Payment Services Agreement to the City Council and got a round of congratulations and thanks from council members.

"I just wanted to make sure there were no fees for us and I kept asking them," Long said.

She said Point and Pay wants the city to promote the service in every way it can. She noted that the city's internet technology person has put in measures for security and the city attorney's issues have been cleared up.

It will cost users 3% of the total to pay taxes and \$1.50 for every \$50 paid at the counter and online. E-checks can be used, too.

In other business at Monday's meeting, the council:

- Set the annual citywide yard sale for Saturday, Sept. 7, and Sunday, Sept. 8, the weekend after Labor Day. No yard sale permits are required on these days, but if people want to start their sales on Thursday or Friday, they must get permits;

- Held a public hearing and then approved amendments to the utility ordinance. This allows billing for water per gallon and per thousand gallons (since some meters don't read in gallons) and the ability to shut off

## Sumpter Planners approve completely redone zoning ordinance

By Rosemary K. Oztman  
Independent Editor

The first completely revised zoning ordinance for Sumpter Township in more than three decades was approved by the Planning Commission at its regular meeting March 14, following a public hearing.

The Planning Commission has been working on the zoning ordinance for a year and a half. The last major overhaul of the zoning ordinance was in 1977.

Laura Kreps of Carlisle Wortman has been working with the commissioners on the project. She said many things have been changed as required by the state. Also they have reduced the number of zoning districts and came down to two residential and up to three business districts.

One of the most-asked-about provision is on outdoor furnaces. She said if you already have one, you are grandfathered in. This furnace is only allowed in Agricultural, Rural Farm, and Residential-1 districts.

Kreps said it's not for cooking or grilling and owners are not allowed to burn leaves, garbage or rubber.

The furnace needs to be placed at least 200 feet from the property line and the chimney must be at least 30 feet from the principal building. The flue should be no less than 30 feet tall. All brush should be cleared in a 30 foot radius of the furnaces.

Gary Rogalski of Executive Drive said he has been selling wood-burning furnaces since 2005. He said he is the No. 1 seller of outdoor furnaces in this area.

Rogalski said a two-story house is only 21 feet high, speaking about the 30 feet height required for the stack. He also asked how you would support a 30-foot stack. Later he was told guy wires would work.

He said he installed 60 units in Sumpter Township. He said if a furnace has to be 200 feet from the property line and the furnace is in the middle of the lot, you would need 400 or 410 feet of frontage.

He asked what kind of experience she had with outdoor furnaces and she said her firm is planning consultant for more than 70 municipalities, including Huron, Ida, Manchester, Linden, and Augusta.

"I'm inclined to agree with him," said Trustee Alan Bates, who sits on the Planning Commission, noting there is a 150 foot minimum frontage for lots and they couldn't have furnaces.

"If everyone had one, there would be a lot of smoke..." said Commissioner Jim Clark.

Rogalski said he has a 3,000 square foot house and doesn't make \$40,000. He has paid over \$1,000 a winter for propane and he can heat for a whole year for less than

Victor Delibera, a seventh-grade student at McBride Middle School, has been notified by the National Geographic Society that he is one of the 100 semifinalists eligible to compete in the 2013 Michigan National Geographic Bee sponsored by Google and Plumb Creek. Each school with fourth through eighth grade students throughout the state held bees to determine each school's winner. School winners competed and Victor was one of the students selected as a state semifinalist. The state bee will be held at Western Michigan University on April 5. State winners will receive \$100 and a trip to Washington, D.C. for the finals on May 20-22, which will be televised. Victor is the son of Margo and Victor Delibera of Van Buren Township.

\$1,000 with the furnace.

He said some people in Sumpter grow their own food, hunt, and work on their own cars – plus pay \$3,000 in taxes.

Rogalski said most people can't comply with the 400 feet and, "I guess that's the way to get rid of them."

Commissioner Clark said the township isn't able to watch everyone and there has been irresponsible burning.

Rogalski agreed, but said Dundee adopted a very similar ordinance on outdoor furnaces and then dropped it because it didn't work out. They required Phase II stoves, which were twice the price of Phase I stoves. Now they are accepting Phase I stoves.

Brad Traskos of Willis Road said these stoves are expensive, starting at \$8,000 and then getting up to \$10,000 by adding a little. He said when they cover more than 4,000 square feet in two buildings, it comes to \$16,000.

"I don't think you're going to be overrun with these in Sumpter," Traskos said. "It's a very expensive project ... people don't have the money."

Rogalski said in 2009, he did 70 units and in 2011 and 2012, he did seven each year. He said he did four this year, with only one in Sumpter.

"It's not for everyone," Rogalski said, noting you have to have 30 to 40 cords of wood a year and you become a slave to your unit.

"The fad is here and gone," Rogalski continued. "You're going to stand in the way of people having these stoves."

He said the next highest heating procedure is geothermal, which costs \$30,000.

The Planning Commission did not change anything on the new zoning ordinance before approving it.

Rogalski was told the zoning ordinance would next go to the township board for its 6 p.m., March 26 meeting, where the board will discuss it and then make the final decision at the 6:30 p.m. meeting. He was advised to go to that meeting to tell the township board of his concerns.

The commission also discussed flag lots and Kreps said she didn't think flag lots would be appropriate in the zoning ordinance.

It should be covered by private drives in the general ordinance, with a shared easement with everyone using that drive, a "multiple family residential drive", or have the drive built to county road standards.

"My boss Enos and I talked about flag lots yesterday," Kreps said. "It doesn't comply with the ordinance and never is going to meet the minimum width... It should be in the general ordinance."

Rogalski asked about road maintenance of Executive Drive, a private drive which has nine homes with the oldest one started in 1978 and the newest one 2 ½ years ago. The road is 1,400 feet long and some of the residents don't pay for road maintenance and the road gets barely passable.

Commissioner Sharon Claxton told him to form a road committee and get bids and get the work done. "Let them know of the legality of the road agreement. The township is supposed to help if there's a

road agreement," she said.

Rogalski said some residents say they didn't sign a road agreement, but Claxton said there is an agreement and it should be on their deeds.

Trustee Bates said he is the original builder on Claxton Drive and he sends residents a bill every year and makes sure the snow is plowed, a load of gravel is dumped, and chloride spread. On Oddessey Drive, where he lives, there is a road agreement.

Rogalski said he has gone door to door to get money for the road. Some pay and some don't. "It's hard to sue the neighbors," he said.

## School Board member graduates from Political Leadership Program

Scott Russell, a member of the Van Buren Public Schools Board of Education, is among 24 Michigan Political Leadership Program Fellows who graduated from one of the nation's most prestigious leadership training grounds.

The 2012 Fellows were honored at MPLP's 18<sup>th</sup> Annual Fundraising Dinner on Feb. 28 at Laurel Manor in Livonia featuring two White House strategists – Robert Gibbs and Karen Hughes – who shared their insights.

Russell, works for J. D. Power and Associates, is married and the father of two daughters in the Van Buren Public Schools.

"We congratulate these emerging leaders," said Douglas B. Roberts, Ph.D., who directs the Institute for Public Policy and Social Research where MPLP makes its home. "They are testimony to the continuing success of MPLP and to the vision of those who founded the program."

During the 10-month program, MPLP Fellows tour key Michigan landmarks, learn from the state's most experienced political leaders and take part in hands-on activities from taping television ads to facing down tough editorial boards.

The program's focus is on practical politics, preparation for leadership from grassroots to statewide visibility while forging relationships destined to outlast the program that began in 1992.

# OPINIONS

## Editorial

### You can still find your VBT legals in the *Independent*

It wasn't easy, but for now you still will be able to find the legal notices for Van Buren Township published in the *Independent*, as they have been for the last 15 months.

On Tuesday, the VBT board voted 5-2 to accept our low bid for publishing legal notices, with Supervisor Linda Combs and Treasurer Sharry Budd voting no. We submitted a ridiculously low bid and the other five board members found that appealing – even though they may not like our stories or opinions.

We have been publishing VBT legal notices for \$5 per column inch and our bid was \$2.50. It was estimated the cost of legal notices was about \$6,500 last year, so now it will be half that. What a bargain for the township. We're happy to help.

The other bids were: *Journal/Eagle*, \$4.25; *Belleville View*, \$4.50; and *Belleville Lake Current*, \$5. We believed the *Current* was favored and sure to be chosen. We were wrong.

We thank Trustee Reggie Miller for making the motion to accept the low bid, Trustee Brenda McClanahan for seconding the motion and Trustees Hart and Jahr and Clerk Wright for voting yes.

They made it clear they are not endorsing any paper and they don't like "newspaper of record" designation, so that's OK. We're just the paper that carries the VBT legal notices and readers can check our pages to find out what the township has to announce. Thank you all.

## EXTRA THINGS I KNOW

...By Rosemary K. Otzman

Sumpter Township and the City of Belleville have fewer than 50 employees each, so they do not qualify for the Affordable Care Act's mandate to give full health care coverage to all employees who work 30 hours and up a week or 130 or more hours a month.

Van Buren Township has more than 50 employees and is considered a large employer. That is why it is wrestling with the number of hours the paid-per-call fire department employees can work. It gets quite complicated.

This situation could mean more blended-rate employees will be used, but with the \$50 or \$60 per hour rates for them, that would be too much for the township to pay. Maybe, there will have to be a few full-time fire fighters hired.

\*\*\*

The Van Buren Township Police Department is advising all to be aware of a scam. Police said they had a resident receive a call where a male says, "Hi, Grandma" then another male advises her that her grandson is in jail in Mexico. She was advised to wire money to Haiti for his release. She sent \$1,950 via Western Union to Haiti. Her grandson is fine and was never in Haiti or Mexico.

\*\*\*

Before the March 13 work/study session of the VBT Planning Commission, Ernie Tozier told me he had something to add to our eagle reports. Ernie lives near what used to be called Visteon Village.

He said one day his wife asked if it was snowing in the backyard and he looked and said it wasn't. She said it was snowing in the front yard.

DON'T GET THE WRONG IDEA ... IT'S NOT BASKETBALL ... IT'S CHORES  
HOMEWORK, CLEANING YOUR ROOM...  
AND MY DAD'S OTHER LAME  
IDEAS  
FOR  
MADNESS

They looked at the "snow" and found it was feathers from a seagull that was being eaten by an eagle up in a tree. The feathers were flying everywhere.

Ernie said the eagle must have noticed them watching and it flew off with its lunch in its talons. Ernie said he had to pick up the feathers because they didn't blow away and he found meat on some of the feathers.

I do remember when there were no eagles around here and now they are regularly seen in our neighborhoods. Some of our readers don't like to see them eating lunch, but that's what they do to stay alive and multiply.

\*\*\*

Last Thursday a bill was introduced in the Michigan House that would force local communities to turn over every captured dollar of taxes for the Detroit Zoo and Detroit Institute of Arts. It was introduced by Rep. Eileen Kowall, R-White Lake Township.

Meanwhile the law suit brought by nine plaintiffs, including VBT DDA and City of Belleville and Belleville DDA, seeking clarification on capturing the taxes will have oral arguments at 9 a.m., May 30, before Judge Daniel P. Ryan.

This will get worked out one way or the other.

\*\*\*

Cabela's has agreed to bring two boats to the Belleville Lake Water Sport Show at Horizon Park in Belleville from 6 to 8 p.m.

on Saturday, July 20. Bob Stoner of the Central Business Community reported that he had contacted Cabela's and they agreed to come. CBC President Bill Wolters said Bright Motor Sports of Allen Park also will be sending a boat and there will be two pontoons, as well. It's a growing project. Bill has made many contacts for this event, which was his idea. He has his heart set on a beer tent for the show hours, as well.

Bill really throws himself into his CBC position and the other night was tossing around in bed at night trying to come up with new ideas to promote the Flopp E. Bunny Easter Egg Hunt starting at noon on March 30 at Victory Park. He decided the CBC should promote this year's event as featuring "Photos with Flopp E., Candy with the Cops, and Bubbles with the (Fire) Brigade." The police officers and fire fighters come every year with their cars and trucks anyway, but this year the CBC will give them candy and bubbles to give out to the kids. Pictures with the Bunny are standard.

CBC members went along with Bill's bright idea. Bill had cooked up a lunch of corned beef and cabbage for the CBC meeting and so members were feeling pretty mellow after eating his good cooking. Whatever you want, Bill.

## Supervisor Combs takes exception to news story

To the Editor:

In the March 14, 2013 edition of the *Independent*, Rosemary K. Oztman wrote a front-page article entitled *VBT Fire Dept. struggles with Affordable Care Act*.

While the impact of the Affordable Care Act on Van Buren Township part-time staff is notable, staff persons are working tirelessly to address staffing, mutual aid assistance, and training hours to ensure compliance.

The approach Oztman used in her article brought question to the community's safety, and I would like to bring clarity.

Oztman's article reads like she had interviewed me regarding this topic. This is not the case. Instead, Oztman used statements from a memo she obtained via the Freedom of Information Act. This memo was written to Van Buren Township Directors and Supervisory Personnel regarding part-time staff persons throughout the entire municipality, not exclusively Supervisors of fire personnel.

Had Ms. Oztman contacted me to obtain information on the topic, I would have provided the following information, which I have already shared with several fire personnel:

*"Van Buren Township maintains its commitment to continue to staff a duty crew 24 hours per day / 7 days per week at both fire stations."*

*"It would be unconscionable to send a fire fighter home from an incident because he has exceeded mandated hours."*

*"If staffing hours for fire fighters exceed the average threshold, Van Buren Township will comply with the health care mandates of the Act."*

Van Buren Township will continue to provide excellent emergency response service to the community, as it complies with the Affordable Care Act's statutes and regulations.

If you have any questions regarding this matter, I will happily provide answers. Please contact my office directly at 734-699-8910.

Sincerely,

Linda H. Combs

Van Buren Township Supervisor

Editor's Note: The front-page story stated clearly that the statements from Supervisor Combs in the last half of the story were from the memo she sent to directors and supervisors which was obtained through a Freedom of Information Act request. Fire fighters have voiced concern about the situation to the *Independent*, as reported.

"I fear the day that technology will surpass our human interaction. The world will have a generation of idiots."  
— Albert Einstein

## Come to the Fish Fry, support the youth group

To the Editor:

Trinity Episcopal Church, located at 11575 Belleville Road, (across from Burger King) would like to announce that their annual Fish Fry will take place on Friday, March 22, from 5:30-7:30 p.m. Tickets can be bought at the door for \$9 per person which includes your choice of baked potato or french fries, cole slaw, bread, sides of spaghetti, a beverage, dessert and coffee.

This is a fund raiser for the youth group. This is a great cause and we could use as much community support as possible. If you need further information, contact 734-699-3361.

So come join us for this terrific community dinner. Thank you in advance for your support.

Mrs. Reggie Miller

Trinity Episcopal Church

## Library thanks VB Civic Fund for two computers

To the Editor:

Thanks to a generous grant of \$6,450 from the Van Buren Civic Fund, the Belleville Area District Library has purchased two Early Literacy Stations from AWE Learning.

The workstations are specifically designed for ages 2-8 and contain 70 different software programs and games that encourage children to explore reading, math, science, social studies, writing, arts, and music. The touch screens, color coded keyboards, and mice that fit easily into tiny hands are the perfect fit for young children.

The new workstations are replacing two seven-year-old computers that have seen heavy use in the children's room.

In addition, the library has four filtered Internet computers available for children. Bring your kids to the library to explore! Mary Jo Suchy, Deputy Director  
Belleville Area District Library

### This is last week of the Quilt Show at museum

To the Editor:

The 17<sup>th</sup>-annual "Patches and Patterns: A Celebration of Quilts" exhibit has only one more week before these beautiful fabrics are gone!

A special lecture will be held at the Belleville Area Library on Thursday, March 21 at 7 p.m., entitled, "Crazy Quilting with Sherry Jones" as well as a Children's Sewing Workshop on March 23 at 10 a.m., 11 a.m., 1p.m., and 2 p.m. Each child will make a needle-and-thread project to take home. Cost of the class is \$1. Both boys and girls seven to 12 years of age are welcome.

To register, please call the museum at 734-697-1944. The last day of the exhibit is Thursday, March 28.

The museum is located at 405 Main Street in downtown Belleville and is open Tuesdays 3-7 p.m. and Wednesdays through Saturdays noon to 4 p.m. Museum admission is \$2.

Like us on Facebook! We may be found at Belleville Area Museum and Archives.

# Obituaries

Frank Charles Higgins, Sr.

## FRANK CHARLES HIGGINS, SR.

(February 7, 1955 – March 17, 2013)

Frank Charles Higgins, Sr., 58, a lifelong resident of Belleville, died March 17, 2013 in Romulus.

He was born February 7, 1955 in West Branch, MI, the son of Earl and Betty Higgins. He retired from Metro Airport and loved to hunt and fish.

He is survived by his daughter Melissa Fields of Ypsilanti; his son Frank (Lindsay) Higgins, Jr. of Belleville; a sister Sue Hughes; two brothers Tom Higgins and Tim Higgins; and two grandchildren Everett and Ethan Fields.

A Memorial Service will be held at 1 p.m., Friday, March 22, at the Belleville VFW Hall on Bemis Road.

Donations to the family in lieu of flowers.

## STEVEN ADAM MATE

(September 21, 1988 – March 9, 2013)

Age 24 of Sumpter Township. Survived by his parents Frank S. and Cindy Mate, his son Landen Mate, brother Troy, sister Jayme, and grandmother. Memorial service held March 13 at Janowiak Funeral Home, Sumpter Chapel.

## JAYCE MICHAEL JAMES O'TOOLE

(December 15, 2012 – March 10, 2013)

Age 3 months of Sumpter Township. Son of Mellisa Sue-Ann Byrd and Justin James O'Toole. Service was March 16 at Janowiak Funeral Home, Sumpter Chapel. Burial was at Michigan Memorial Park, Flat Rock.

## ROBERT LEE CHAMBERLAIN

(November 16, 1930 - March 16, 2013)

Age 82, of Sumpter Twp. Survived by wife Grace; children Judith, Ella Marie, William and Steven; 9 grandchildren; 1 great-grandchild. Viewing Thursday at David C. Brown Funeral Home Viewing Chapel. Funeral 11 a.m. Friday in Romulus.

# City Council

(continued from page 1)

water for those not allowing access for meter installation or maintenance and to send shut-off notices by certified mail. DPW Director Keith Boc said there are 18 residents who are denying the city entry and some have threatened to sue. The city attorney asked that the process be spelled out in the ordinance. Former councilman George Chedraue, an attorney, said you cannot shut people's water off before a hearing and, "You cannot shut any utilities off without a court order." Mayor Kerreen Conley said the city attorney has positioned the ordinance the best he can and, "The status quo of doing nothing doesn't work for us." She said if there is a problem, "We'll cross that bridge when we come to it";

- Held a public hearing and then adopted changes to the building ordinance, requiring an inspection and a certificate of occupancy anytime a commercial, residential, or one- or two-family dwelling is newly occupied or reoccupied. This does not cover apartment buildings;

- Approved general fund budget amendments for Fiscal Year 2012-13 as prepared by Plante Moran worker Molly Goike in a procedure she called "midyear housekeeping". She said they are using \$4,620 of the fund balance and increasing the unrestricted fund balance of \$730. She said property taxes were reduced by \$10,500 because of tax tribunal decisions and the city under estimated shared revenue and has \$9,900 more than expected. She said city management is in negotiations with the school district for payment for the school resource officer. Expenditures in the police department were up \$7,400 because of wages/fringes brought by employment changes, including an interim police chief. The fire department expenditures were reduced by \$10,950 and it still has \$10,000 more than it had last year in the budget;

- Approved the National Autism Day fund raiser from noon to dusk April 2 at Five Points and the High/Main intersection. Fire

Chief Brian Loranger said it will be a boot collection by fire fighters and the auxiliary to raise funds for autism;

- Approved extension for another year of the radio tower lease agreement the city has granted to LiveTV Airfone Inc. for 174 square feet under the tower behind city hall. Rent to the city is increased by 3% to \$1,530.21 per month after July 1. The lease agreement started in 1995 with payment of \$8,400 a year and the fee has gone up a lot since then;

- Approved the mayor's reappointment of Betty Kurczewski to the Parks and Recreation Commission with a term to expire Dec. 31, 2016;

- Approved accounts payable of \$145,369.98 and departmental purchases in excess of \$500 to: Morton Salt, \$4,434.92 for salt for roads, paid by Major/Local Street fund; and to R.L. Evans Elec. \$795 to repair street lights, from General Fund/DDA;

- Learned there is expected to be no water use available to parts of Main Street on Monday as the sewer lining project progresses down the street. There is a proposal to use a pump to avoid cutting off the water;

- Heard Police Chief Gene Taylor say that Cpl. Kris Faull apprehended a stolen car at Comerica Bank by being in the right place at the right time. There also was discussion about the museum's alarm going off five days in a row at 7:15 a.m. with the determination that maybe there is a glitch in the system;

- Heard Tom Fielder announce that Doug Dalton has agreed to do an appraisal session on May 11 to earn money for the museum. Antiques on Main could list the antique for people after the appraisal, Fielder said;

- Put out a call for volunteers to be appointed to the Parks and Recreation Commission because members are needed; and

- Went into closed session to discuss the police union contract and when it came into open session a motion was made by Mayor Pro Tem Jack Loria and seconded by Councilman Brian Blackburn to approve the police contract. Clerk / Treasurer Long said there were a few minor changes in the contract, including a date, but no pay

## School District sets used-furniture sale at Haggerty School

The Van Buren Public Schools will be having a used school furniture and equipment sale from 10 a.m. to 4 p.m. on Saturday, March 23, at Haggerty Elementary School, 13770 Haggerty Road.

Most of the items will be from Elwell Elementary School, which is slated for demolition.

Items for sale include: tables, chairs, school desks, teacher desks, filing cabinets, lunch room tables, tube TVs kitchen appliances, etc. All items will be reasonably priced and will be for cash only.

## Ask Angela

By Angela Nettro

I am here to answer questions pertaining to buying or selling real estate. Send your questions to "Ask Angela", c/o *Belleville-Area Independent*, 152 Main Street, Ste. 9, Belleville 48111 or send me an email at [nettroandco@comcast.net](mailto:nettroandco@comcast.net). I'll answer questions in this column.

**Question from Jessica in Ann Arbor:** I have been looking to buy vacant land. Can you tell me why some listings refer to a perk test and what exactly does a perk test cover and why is it required? How long is it good for?

**Answer:** A perk test is required in order to build a home on vacant land that does not have city sewage available. A perk test is normally paid for by the seller to substantiate that the property is buildable to accommodate a septic system which is a storage tank and a field bed.

This is done with a backhoe to dig up the ground and the specifications being determined by the county environmental department inspector, for size of septic tanks, field bed, and the location on the property where the ground's water level and dirt makeup will be sufficient to install.

Also a perk test can note whether the home can be built with a basement or walk-out. Perk tests usually are good for one year and sometimes can be extended longer with the approval of the County Environmental.

To the Editor:

St. Vincent DePaul of Belleville is strictly a volunteer, non-profit organization that provides food, medical / dental, clothing, furniture, beds/bedding, utilities, rent and home repairs.

In the previous few months we have had a surge of countless homeless families, many battered women, and families displaced by unfortunate fires within our communities.

We have through the dedicated volunteers, as well as small fund-raising events/

donators have been able to not only house these displaced families and scared and battered women and their children in area hotels, but we have been able to feed and clothe them as well.

We count on the generous donations from the people and businesses of our communities. We in turn give back to the people that are in need.

St. Vincent DePaul is having a Charitable Basketball Tournament April 19 at Belleville High School. The players that are donating their time for this event will be the Belleville, Van Buren, Sumpter Police and Fire Departments.

We are seeking sponsors to help us maximize our donations from the community for the community. I am requesting with all of the unfortunate within our community in mind, that Pepsi, as community orientated as they are, will donate products for concessions, to help us, help people in this great community of ours.

One hundred percent of every dollar we receive from this event will go right back to the communities to help those in need. I hope Pepsi will be able to help us in any way you can.

Thank you,  
 Gina Simpson, St. Vincent DePaul Fundraiser Coordinator

# **'Christ in the Passover'** **service set by Jews for** **Jesus on March 26**

Jesus' Last Supper was actually a Jewish Passover.

Elliot D. Marks of *Jews for Jesus* will re-create the traditional Passover service and explain how it foreshadowed Jesus' death and resurrection in a presentation called "Christ in the Passover" at Belleville First United Methodist Church at 7 p.m. Tuesday, March 26.

Marks will set a table with items traditionally used at the Passover meal and detail their spiritual significance. He will also explain the connection between the

events of the first Passover in Egypt and the redemption that Jesus accomplished, as well as the deep bond between the ancient Passover feast and the Christian communion celebration today.

Jews for Jesus has presented "Christ in the Passover" at over 38,000 churches. It has been enthusiastically received by Christians who appreciate learning more about the Jewish backgrounds of their faith.

Marks said he will be happy to answer questions after the presentation. Call 734-697-9288 or 734-250-0485 for more information. There is no admission charge, but a free will offering will be taken.

**MANUFACTURED**  
**HOME**  
**INSPECTION**

Before you purchase a **Manufactured or Mobile Home**, you have the **Right** to have it inspected by an **Independent Professional** of your choice. Don't make the mistake of so many **Home Owners** that now wished they had an inspection before they purchased an unsafe **money pit**. A home inspection not only assures you that your home is structurally sound, it also gives you a bargaining tool when making the purchase. Let **ACCLAIM MANUFACTURED HOME SERVICE** perform a comprehensive home inspection that will allow you to purchase a home with confidence in knowing that the home is safe, and your money is well spent.

# Sumpter driver

(continued from page 1)

showed Johnson turning a simple traffic stop into a fleeing and eluding felony.

Det. Toth said after Sgt. Ashby ran the license of Johnson and came back to the car window, he found Johnson on the phone. Johnson ignored Ashby as the police officer repeatedly asked him to get out of his vehicle. Finally, Johnson asked why he had to get out of his car and Ashby replied it was because his license was suspended and he had a warrant out for him.

Johnson asked Ashby to follow him home to Milan and Ashby refused, saying there are just minor charges against him now and they would turn into a felony if he drove off. He reminded Johnson that everything was being recorded on the patrol car camera.

Johnson goosed the car's accelerator and the car lurched forward a couple of feet. The video shows Ashby patiently walking the few feet to the driver's window and urging Johnson to cooperate, rather than face more serious charges.

"Give me a head start," Johnson said and then took off at the high rate of speed, Det. Toth said. Ashby and Officer Elizabeth Egerer pursued Johnson, but the roads were so bad in Sumpter that they both disengaged the pursuit. Later police went to Johnson's house to pick him up on the warrant, but they were told he wasn't there.

Det. Toth said Johnson later came to the Sumpter Police Department and turned himself in, with an apology.

Johnson has been charged with fleeing and eluding a police officer, a five-year felony; commission of a felony with a motor vehicle; operating on a suspended license, a 93-day misdemeanor; and habitual offender, fourth degree (indicating three prior felonies), which could be up to 15 years.

## Van Buren Public Schools Public Notice

### ADVERTISEMENT FOR BIDS

Van Buren Public Schools (District) will receive sealed bids for:

#### ROOFING REPLACEMENT PROJECT OWEN INTERMEDIATE SCHOOL, 45201 OWEN ROAD, BELLEVILLE, MI 48111

Bids must be delivered no later than 2:00 p.m. EST on Thursday, March 28th, 2013, at the Administration Building located at 555 West Columbia Avenue, Belleville, Michigan 48111. All bids will be publicly opened and read aloud at 2:15 p.m. Bids received after the above stipulated date and time will not be opened, considered, or accepted.

Beginning March 18th, 2013 at 12:00 p.m. bid documents can be obtained by accessing the following email:

<https://app.e-builder.net/public/PublicFolderView.aspx?FolderID={4b817c8b-a888-4c35-ba88-32b66c86f65d}>

Please contact LaMerra Hobbs at [lamerra.hobbs@plantemoran.com](mailto:lamerra.hobbs@plantemoran.com) with any questions you may have with regard to retrieving the RFP information.

All bidders are invited to attend a non-mandatory pre-bid meeting on Monday, March 25, 2013 starting at 4:00 p.m. at Owen Intermediate School 45201 Owen Road, Belleville, Michigan.

Prospective bidders must meet the following minimum standards in order to submit a proposal:

- Must be an established Contractor in Michigan for a minimum of five years
- Has successfully completed a minimum of 3 comparable roofing projects each with contract values in excess of \$250,000 within the last five (5) years.
- Must be technically and financially capable to execute a project of size and complexity described in the Bid Documents as a Duro-last contractor
- Must be able to provide business and liability insurance, performance and payment bond for work required by the Bid Documents

All bids must be submitted on forms furnished by Duro-Last and must be accompanied by a bidder's bond or a certified or cashier's check payable to the District for the sum of not less than five percent (5%) of the bid amount. All bids must be accompanied by a familial disclosure statement. Bids received without a bidder's bond, certified or cashier's check, and a familial disclosure statement WILL BE REJECTED.

The District reserves the right to reject any or all bids, in whole or in part, to waive any irregularities therein and accept that bid, which best serves the District's interest.

## Pet of the Week Friends of Michigan Animals Rescue "ABIGALE"

**Abigale** is shy, sweet and a complete treat! She's a chocolate seal point Siamese mix that's as pretty on the inside as she is on the outside. **Abigale** is having some trouble adjusting to the shelter life but is slowly coming out of her shell to show us she's a loving, gentle and enjoyable kitty girl. Since she doesn't seem to like a lot of activity and be a big fan of the other cats here she'd probably prefer a peaceful only cat household for her fur-ever home. She likes attention but can be shy about asking for it until she's sure about you. Watch out when she does warm to you though because she'll be all over you like bees on honey. Her Siamese heritage gives her a natural urge to "talk" and she will happily engage with you verbally after she feels safe with you. Her extra soft and thick coat is shades of chocolaty brown and a real pleasure to pet as she snuggles on your lap. **Abigale** might take a little extra time to warm up to you but if you give her a chance she'll show you that it's the shy ones that can make the best furry friends in the end. She's spayed, vaccinated, tested neg. for FeLuk/FIV and micro-chipped.
